

be able to carry out Applicant's invention without undue experimentation. To further support the level of knowledge of such a skilled person in the art, Applicant is submitting under separate cover (in the form of an IDS, etc.) a number of prior art references. Such additional references further demonstrate that, in view of Applicant's disclosure, one of skill in the art would find sufficient teachings in Applicant's disclosure, which may include reference to other material and which may include the knowledge and experience that one of skill in art is presumed to know, to carry out the claimed invention without undue experimentation.

Accordingly, Applicant respectfully traverses the rejection under Section 112.

No new matter has been added.

Reconsideration and allowance is requested.

Respectfully submitted,
